CONTENTS

On December 4, 2022, the Board of Directors (the "Board") of IceCure Medical Ltd. (the "Company") appointed Mr. Vincent Chun Hung Chan to serve as an independent director on the Board. As of December 4, 2022, the Board consists of a majority of independent directors.

The Board reviewed and discussed the qualifications of Mr. Chan as a director nominee and determined that Mr. Chan qualifies as an "independent director" under the Nasdaq Listing Rules.

With over 30 years of experience in private equity in Asia, Mr. Chan has been the Director of Samena Capital, which principally engages in private equity investment, since March 2021 and was a Senior Managing Director and Head of Asia of Samena Capital Hong Kong Limited from 2016 to 2021. From 1991 to 2016, he served several leading private equity investment companies including HSBC Equity Management Limited, Suez Asia Holdings (Hong Kong) Limited, JAFCO Investment (Asia Pacific) Ltd and Spring Capital Asia, Limited. Mr. Chan has been an independent non-executive director of CN Logistics International Holdings Limited since September 2020, an independent non-executive director of Hywin Holdings Ltd. (Nasdaq: HYW) since June 2022, and a non-executive director of Memories Group Limited since February 2019. Mr. Chan is currently the Director and Treasurer of the Hong Kong Venture Capital and Private Equity Association. Mr. Chan has been a member of the Main Board and GEM Listing Review Committees of the Stock Exchange of Hong Kong since July 2020. He was previously a member of the Main Board and GEM Listing Committee of the Stock Exchange of Hong Kong from May 2007 to May 2012. He was also a member of the Public Shareholders Group of the Hong Kong Securities and Futures Commission from July 2005 to March 2011.

Mr. Chan received a Bachelor of Arts degree from the University of Hong Kong in November 1986 and a Master's degree in business administration from the Manchester Business School (then known as the Victoria University of Manchester) in the United Kingdom in July 1988. He was admitted as a chartered financial analyst of the Institute of Chartered Financial Analysts, United States in September 1993.

The Company believes that Mr. Chan is well-qualified to serve as a director of the Board due to his extensive experience, expertise, and qualifications in accounting, finance, investment and capital markets.

The Company's press release, dated December 6, 2022, announcing Mr. Chan's appointment is attached hereto as Exhibit 99.1

The first three paragraphs and the section titled "Forward-Looking Statements" in the press release are incorporated by reference into the Company's Registration Statements on Form F-3 (Registration No. [333-258660](#) and Registration No. [333-267272](#)) and Form S-8 (Registration No. [333-262620](#) and Registration No. [333-264578](#)), filed with the Securities and Exchange Commission, to be a part thereof from the date on which this Report is submitted, to the extent not superseded by documents or reports subsequently filed or furnished.

Exhibit No.

99.1 [Press release titled: "IceCure Appoints Vincent Chun Hung Chan to Serve as an Independent Director on its Board of Directors."](#)

SIGNATURES

Title: Chief Executive Officer

IceCure Appoints Vincent Chun Hung Chan to Serve as an Independent Director on its Board of Directors***Galit Bar Malik promoted to VP of Operations and Service***

CAESAREA, Israel, December 6, 2022 -- IceCure Medical Ltd. (Nasdaq: ICCM) (TASE: ICCM) (“IceCure” or the “Company”), developer of minimally-invasive cryoablation technology, the ProSense[®] System that destroys tumors by freezing, today announced the appointment of Vincent Chun Hung Chan to serve as an independent director on the Company’s board of directors.

Mr. Chan has been a private equity executive for the past three decades, managing and leading more than 80 investment projects supporting company growth via funding and synergistic mergers and acquisitions. Since March 2021, he has been the Director of Samena Capital, a principal investment group, headquartered in Dubai, with three private equity funds and \$1 billion in assets under management, and was a Senior Managing Director and Head of Asia of Samena Capital Hong Kong Limited from 2016 to 2021. Mr. Chan has been a top-ranked venture capitalist by *Forbes Magazine* (China) for seven consecutive years. He is a Chartered Financial Analyst (CFA), received his B.A. in Economics and Geography from the University of Hong Kong, and received his MBA from Victoria University of Manchester in the United Kingdom.

Fortifying its management and operations structure in anticipation of commercial sales growth for its ProSense systems, IceCure promoted Galit Bar Malik, former Director of Operations and Service, to VP of Operations and Service. Ms. Bar Malik has over 16 years of experience in operations and supply chain management in the medical device industry after holding a variety of roles at Mazor Robotics, which was acquired by Medtronic plc.

“We welcome Vincent to our board at this critical time as we launch ProSense globally in key markets including Asia. We believe Vincent’s expertise and network will be an asset to us on the commercial front, while his corporate, financial, and board track record will support our strong corporate governance practices,” stated IceCure’s Chief Executive Officer, Eyal Shamir. “We are also pleased to promote Galit to the position of VP of Operations and Service as we grow our operations infrastructure.”

About IceCure Medical Ltd.

IceCure Medical Ltd. (Nasdaq: ICCM) (TASE: ICCM) develops and markets ProSense[®], an advanced liquid-nitrogen-based cryoablation therapy for the treatment of tumors (benign and cancerous) by freezing, with the primary focus areas being breast, kidney, bone and lung cancer. Its minimally invasive technology is a safe and effective alternative to hospital surgical tumor removal that is easily performed in a relatively short procedure. The system is marketed and sold worldwide for the indications cleared to-date by the U.S. Food and Drug Administration and approved in Europe with the CE Mark.

Forward Looking Statements

This press release contains forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995 and other Federal securities laws. Words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates” and similar expressions or variations of such words are intended to identify forward-looking statements. For example, IceCure is using forward looking statements in this press release when it discusses: Mr. Chan’s anticipated contribution to the Company; and the Company’s potential growth in operations infrastructure. Because such statements deal with future events and are based on IceCure’s current expectations, they are subject to various risks and uncertainties and actual results, performance, or achievements of IceCure could differ materially from those described in or implied by the statements in this press release. The forward-looking statements contained or implied in this press release are subject to other risks and uncertainties, many of which are beyond the control of the Company, including those set forth in the Risk Factors section of the Company’s Annual Report on Form 20-F for the year ended December 31, 2021 filed with the Securities Exchange Commission (the “SEC”) on April 1, 2022, as amended, which is available on the SEC’s website, www.sec.gov. The Company undertakes no obligation to update these statements for revisions or changes after the date of this release, except as required by law.
